## Hub Benefits

Easy connections for an easy flight

Via our Dusseldorf, Frankfurt and Munich hubs, we offer business and leisure travelers excellent connections to and from all the important business centers and vacation destinations in Germany, Europe and around the world. Our hubs are among the most punctual and efficient in Europe.

## Connectivity

Stay connected in the air

Every passenger can connect to Eurowings "Wings Connect" Portal with their laptop, tablet or smartphone on long-haul flights and on selected short and medium-haul flights. The free portal offers the latest flight information, interesting facts about the flight's destination location and attractive offers from partners. Within the portal, passengers can connect to the internet by purchasing one of the available data packages.

## Miles & More®

Reward choices

Eurowings is a fully integrated Miles & More® partner. Additionally, Eurowings offers guests a bonus loyalty program called the Boomerang Club where they can accumulate miles on Eurowings flights, on Eurowings credit card, and with Boomerang Club partners.

## Virtual Reality

Experience what's new and exciting

Experience the airlines of the Lufthansa Group in 360° with the Virtual Reality App. Enjoy a private tour through the cabins of Austrian Airlines, Lufthansa, SWISS, Brussels Airlines and Eurowings, plus a close-up look at some of the newest aircraft. Available for download in the App Store.
